

MEETING OF THE ITHACA TOWN BOARD
January 9, 2023

TB Resolution 2023 - 012: Authorization to Submit a Deer Damage Permit Application to the NYS Department of Environmental Conservation for 2023

Whereas, in May 2017, the Town of Ithaca Conservation Board presented a report (titled “Deer Management: Recommended Actions for the Town of Ithaca”) to the Ithaca Town Board regarding the overabundance of White-tailed deer in the Town of Ithaca; and

Whereas, this report outlined the history and justification of deer management (health and human safety, ecological, agricultural losses, car-deer collisions, NYSDEC Deer Management Focus Area), provided a review of local deer management programs in Tompkins County (Village of Trumansburg, Cornell University, Village of Cayuga Heights, Village of Lansing), and provided recommendations for a potential Town of Ithaca deer management program (form sub-committee, utilize NYSDEC Deer Damage Permits for a Town program, measure impacts of deer to asses effectiveness of program, coordinate efforts with adjacent municipalities and Cornell University, etc.); and

Whereas, in September 2017 the Ithaca Town Board established a Deer Management Committee which met several times in spring and summer 2018 and held a public meeting in May 2018 seeking feedback on the report and the potential of starting a deer management program, with the feedback received being very positive; and

Whereas, pursuant to the New York State Environmental Quality Review Act (“SEQRA”) and its implementing regulations at 6 NYCRR Part 617, the establishment of this Deer Management Program and submission of annual Deer Damage Permit applications is an Unlisted Action for which the Town of Ithaca Town Board, acting as lead agency in an uncoordinated environmental review with respect to these actions, has, on February 11, 2019 , made a negative environmental determination of significance, after having reviewed and accepted as adequate a Short Environmental Assessment Form Parts 1, 2 and 3; and

Whereas, the Town applied for and received a Deer Damage Permit from NYSDEC in February 2019 and conducted the program at three locations, resulting in the harvesting of one deer; and

Whereas, the Town applied for and received a Deer Damage Permit from NYSDEC in January 2020 and conducted the program at six locations, resulting in the harvesting of 20 deer; and

Whereas, the Town applied for and received a Deer Damage Permit from NYSDEC in January 2021 and conducted the program at nine locations, resulting in the harvesting of 42 deer;

Whereas, the Town applied for and received a Deer Damage Permit from NYSDEC in January 2022 and conducted the program at nine locations, resulting in the harvesting of 40 deer; now, therefore, be it

Resolved, that the Supervisor of the Town of Ithaca, is hereby authorized and directed to file a new Deer Damage Permit application with NYS Department of Environmental Conservation for activities in 2023, including any associated future documents, forms, or reports.

Moved: Eric Levine

Seconded: Rob Rosen
